

**How you can talk to us about Grenfell Health Services**

To talk to us, to find out more and ask us questions please come to our drop in sessions.

What can you expect?

Find out how you can directly influence NHS and local Integrated Care Board (ICB) decisions related to health service for those impacted by the Grenfell Tower fire, by joining the Community Health Network and helping to shape future priorities, services, communications and engagement activities.

Find out how Grenfell specific Health services will work during 2027 – 2029 and how you can get involved in helping to shape and design future health services.

Share your views, concerns and priorities for the future.
